MANAGEMENT REPORT TO THE GENERAL MEETING OF THE PARTNERS FOR THE FINANCIAL YEAR 2024

1. Business development of the Company

The balance sheet total for the financial year ended as at December 31, 2024 amounts to EUR 6,399,486.91, compared to a total of EUR 6,365,225.11 for the previous year. The financial year ends with a loss of EUR 62,401.88 compared to a profit of EUR 26,377.10 for the previous year.

2. Description of the main risks and uncertainties facing the Company

The activities of the Company are subject to a number of risks and uncertainties. The Company has therefore adopted various strategies, policies and practices to mitigate such eventualities. Despite efforts to mitigate such risks and uncertainties, there is no assurance that there will be no impact on the financial position of the Company if such risks or uncertainties arise.

3. Significant events during and after the year closed

Despite the conflict between Ukraine and Russia, which led to a Russian offensive on Ukrainian territory at the end of February 2022, and the recent conflict in Israel began in October 2023, no economic impact has and should not affect the financial assets of the Company. The board of managers is closely monitoring the evolution of these wars in order to anticipate and assess any negative impact.

4. Predictable development of the Company

Despite the unusual economic and financial circumstances, the Company intends to continue its business, while remaining true to the principles of prudence forced on it.

5. Acquisition of own corporate units

As of the beginning of the year, the Company does not hold its own corporate units and has not purchased any of its own corporate units during the financial year ended as of December 31, 2024.

6. Existence of branches of the Company

Not applicable.

7. Proposed allocation of the results of the year

The board of managers proposes to the general meeting to affect the result of the year as follows:

- Results brought forward:	EUR (87,384.22)
- Profit of the year:	EUR (62,401.88)
- Results brought forward:	EUR (149,786.10)

The board of managers asks the general meeting of the partners to give, by special vote, discharge to the managers for the performance of their mandate executed during the financial year ended 2024.

Luxembourg,

The board of managers

Notes to the annual accounts as at December 31, 2024

Based on the criteria defined by Luxemburg law, the Company is exempt from the obligation to draw up consolidated accounts and a consolidated management report for the exercise that ended on December 31, 2024. Therefore, in accordance with the legal provisions, these annual accounts were presented on a nonconsolidated basis for the approval of the partners during the Annual General Meeting.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

General principles
The annual accounts are presented in accordance of the law dated December 19, 2002 and last amended on December 18, 2015.

In addition, as allowed by article 35 of the same law, the Company decided to present its balance sheet and profit and loss account in an abbreviated form.

The annual accounts have been prepared in accordance with Luxembourg legal and regulatory requirements under the historical cost convention (except for the use of the fair value option for financial instruments and/or certain other categories of assets).

Accounting policies and valuation rules are, besides the ones laid down by the law of December 19, 2002 and last modified on December 18, 2015 determined and applied by the Board of managers.

Significant accounting policies
The main valuation rules and methods applied by the Company are the following:

- The Company is presumed to continue its activities;
- The valuation rules are not modified from one exercise to the next;
- All the profits and costs related to the exercise were considered;
- Prudential rules: only the realized exchange gains and losses and unrealized exchange losses are recognised in the profit and loss account; all foreseeable risks were considered; all the necessary depreciations were registered;
- Where there is an economic link between an asset and a liability, these are valued in total according to the method described above and the net unrealised losses are recorded in the profit and loss account and the unrealised exchange gains are booked in a regularisation account until the moment of their realisation;
- All the assets and liabilities were valuated separately.

Notes to the annual accounts as at December 31, 2024

Formation expenses
Formation expenses are written off on a straight-line basis over a period of 5 years.

Financial fixed assets
Shares in affiliated undertakings/participating interests/ loans to these undertakings/securities/ and other non-derivative financial instruments held as fixed assets/loans and claims held as fixed assets/own shares or own corporate units are valued at purchase price/nominal value (for loans and claims) including the expenses incidental thereto.

In the case of durable depreciation in value according to the opinion of the Board of managers, value adjustments are made in respect of financial fixed assets, so that they are valued at the lower figure to be attributed to them at the balance sheet date. These value adjustments are not continued if the reasons for which the value adjustments were made have ceased to apply.

Foreign currency translation
The Company maintains its accounting records in Euros (EUR) and the balance sheet and profit and loss account are expressed in this currency.

Transactions expressed in currencies other than in Euros (EUR) are translated into Euros (EUR) at the exchanges rate effective at the date of transaction.

Formation expenses and long-term assets expressed in currencies other than Euros (EUR) are translated into Euros (EUR) at the exchange rate effective at the time of the transaction. At the balance sheet date, these assets remain translated at historical exchange rates.

Cash at bank is translated at the exchange rate effective at the balance sheet date. Exchange losses and gains are recorded in the profit and loss account of the exercise.

Other assets and liabilities are translated separately respectively at the lower or at the higher of the value converted at the historical exchange rate or the value determined on the basis of the exchange rates effective at the balance sheet date. Solely the unrealized exchange losses are recorded in the profit and loss account. The exchange gains are recorded in the profit and loss account at the moment of their realization.

Debtors
Debtors are valued at their nominal value. They are subject to value adjustments where their recovery is compromised. These value adjustments are not continued if the reasons for which the value adjustments were made have ceased to apply.

Notes to the annual accounts as at December 31, 2024

Transferable securities
Transferable securities are valued at the lower of purchase price, including expenses incidental thereto and calculated on the basis of weighted average prices method or market value expressed in Euros (EUR). A value adjustment is recorded where the market value is lower than the purchase price. These value adjustments are not continuing if the reasons for which the value adjustments were made, have ceased to apply.
The market value corresponds to:

- the latest available quote on the valuation day for transferable securities listed on a stock exchange or traded on another regulated market;
- the probable realization value estimated with due care and in good faith by the Board of managers, for transferable securities not listed on a stock exchange or traded on another regulated market and for transferable securities listed on a stock exchange or traded on another regulated market where the latest quote is not representative.

Cash at bank
Cash at bank are registered at their nominal value.

Provisions
Provisions are intended to cover losses or debts, the nature of which is clearly defined and which, at the date balance sheet, are either likely to be incurred but uncertain as to their amount or the date on which they will arise.

Provisions may also be created to cover charges that have originated in the financial year under review or in a previous financial year, the nature of which is clearly defined and which, at the date of the balance sheet, are either likely to be incurred or certain to be incurred but uncertain as to their amount or the date on which they will arise.

Debts

Debts are recorded at their reimbursement value.
